

June Newsletter and Upcoming Events

Thank you to everyone who attended the Welcome BBQ- it was nice to see both new and familiar garden members last weekend.

Well, the growing season has begun and we are already reaping the benefits of our hard work from our gardens. Strawberries, peas, lettuce asparagus and spinach are ready. We will be organizing a food bank program this year as I am sure we will have lots to share with people in need. Pick-up and delivery to the foodbank will commence later this month- information to follow.

Used coffee grinds have been dropped off at the garden this weekend and will continued to be provided to us throughout the summer. If you request some please contact Penny at our email address and she will drop a bag off in your garden.

Garden Rotation weekly assignment has been posted - please make note of your garden plot number and what you have been assigned to.

Garden upkeep- **We are all responsible for the upkeep of our garden and its perimeter.**

Please continue to maintain a weed free garden, keep all walk ways clear of personal belongings and grass/weeds cut. We have started to do our weekly walkabouts and individual members have been contacted if immediate work is necessary and if garden forfeiture may be considered.

Work Parties- Thank You again to everyone who has come-out to the Work Parties. Significant work has been done with the outer perimeter of our garden with addition of mature grape vines, raspberry canes, the addition of a second bee corral and general upkeep. We will be hosting three work- parties this upcoming month and we would love to see new faces. What better way to come out to the garden and get your 5 hours of volunteer in-kind hours!

JUNE WORK PARTY DATES

- June 8th 10am to 12:30pm
- June 22nd 10am to 12:30pm
- June 26th 6:30pm to 9pm

UPCOMING SOCIAL EVENTS (more info to follow)

if you would like to help with this event please contact us at garden@pmcg.ca

- **Strawberry Tea Party** Sunday July 7th 1-3 pm
- **Harvest Long Table** Saturday August 24th 5:30pm to...

Lastly- if you are available to share with us a couple of hours either once or on an ongoing basis please contact us as there are small jobs such as- weekly garden walkabouts, member contacts, special committees etc.. that we could use your assistance with.
